Assumptions

1. If a zip code falls in more than one city and/or county, data was placed in the primary city and/or county as determined by the U.S. Postal Service.
2. All programs offering less than all day, every-day child care were excluded.
3. Due to lack of publicly available capacity data, all certified and non-certified programs (generally school-based programs) were excluded.
4. Due to lack of publicly available Tribal licensing data, all tribally licensed child care programs are excluded

*Capacity is an internal calculation of First Children’s Finance based upon historical data collection

**Children under 5 is an adjusted calculation from 2018–2022 U.S. Census American Community Survey, 5–year estimates
